About us
公司簡介

In China: Our food factories specialize in the exquisite production of a wide range of delicious pastries, pastries and snacks. Adhering to the commitment of quality, we promote Chinese cuisine to the world, while carefully selecting high-quality food ingredients from the countries of the East African Association to sell in China. Our products include the world's only perfume coconut from Thailand and instant coffee from Vietnam, ensuring that every sip is full of authentic taste and excellent quality.

In Thailand: Our coconut processing plant in the heart of Thailand focuses on providing fresh perfume coconut green and 100% non-reductive virgin perfume coconut water for the Chinese and North American markets. In addition to providing high-quality coconut products, we have also been honored to receive distribution rights for a number of Thai brands in North America, further demonstrating our commitment to quality excellence and our ambitions in the global market.

在中國：我們的食品工廠專注於精緻製作各式美味糕點、麵條及零食。秉持品質的承諾，我們將中國美食推向全球，同時從東協國家精心挑選優質的食品原料在中國銷售。我們的產品涵蓋來自泰國的全球獨一無二的香水椰子以及越南的速溶咖啡，確保每一口都充滿道地的風味與卓越的品質。

在泰國：我們位於泰國心臟地帶的椰子加工廠專注於提供新鮮的香水椰青和100%非濃縮還原的香水椰子水，供應中國及北美市場。除了提供高品質的椰子產品外，我們還榮獲多個泰國品牌在北美的分銷權，進一步展現我們對卓越品質的承諾及全球市場的雄心。
